Dhagpo Kagyu Ling,
August 6th 2012

Dear Lama Ole,

My thoughts go out to you on this evening of August 6th. Forty years ago His Holiness the 16th Gyalwa Karmapa asked you to create Dharma centers in the West so that Westerners could have access to the teachings. During 40 years you tirelessly committed yourself to do so and thus fulfilled the wish of Karmapa Rangjung Rikpé Dorjé.

We all rejoice and congratulate you for your unceasing efforts!

With my sincere prayers,

Lama Jigme Rinpoche
